UNIVERSITY OF WOLVERHAMPTON

Project Management 7.3

The People and Change

UNIVERSITY OF WOLVERHAMPTON

Learning Outcomes

- By the end of this week, you will be able to:
  - Use the curve to assess peoples stage
  - Give example of how to address negativity
  - Know when to engage to encourage

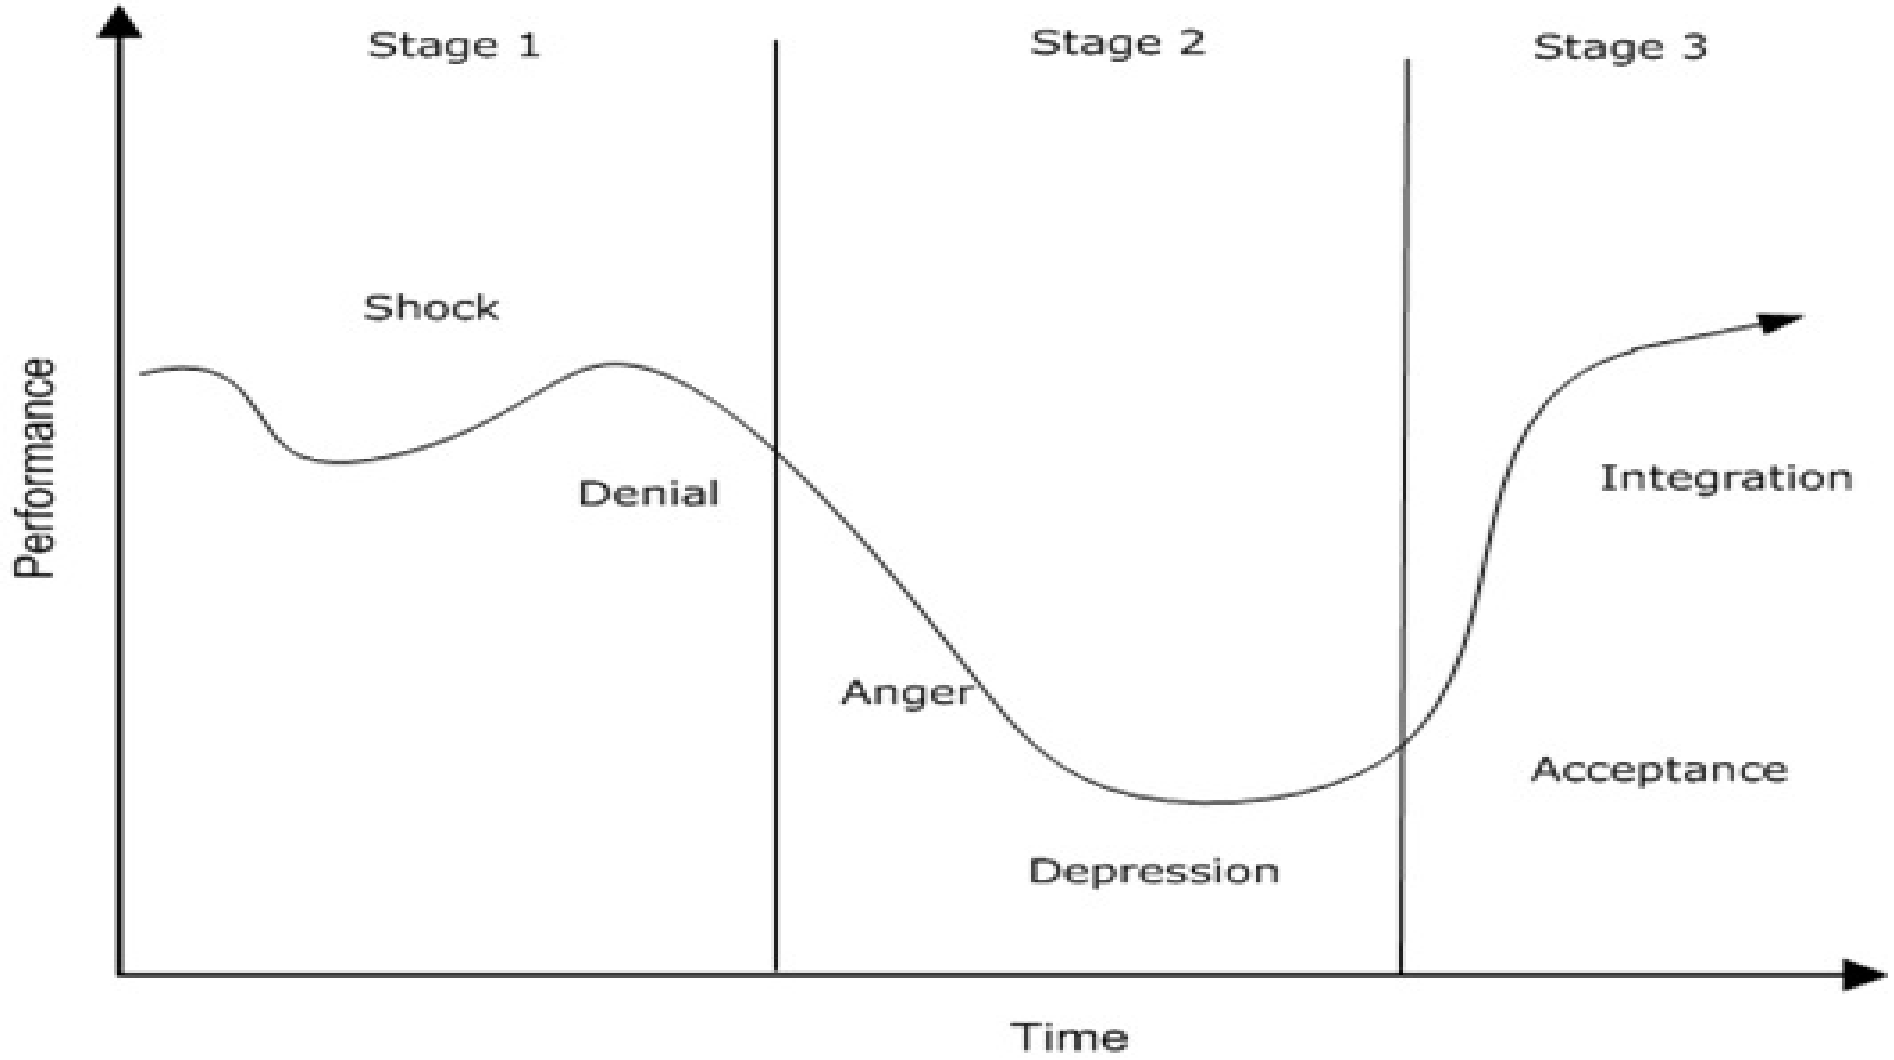

UNIVERSITY OF WOLVERHAMPTON

People

- Projects are about benefits, it’s people that make or break successful deployment
- Hardware, buildings, machines, systems etc. don’t;

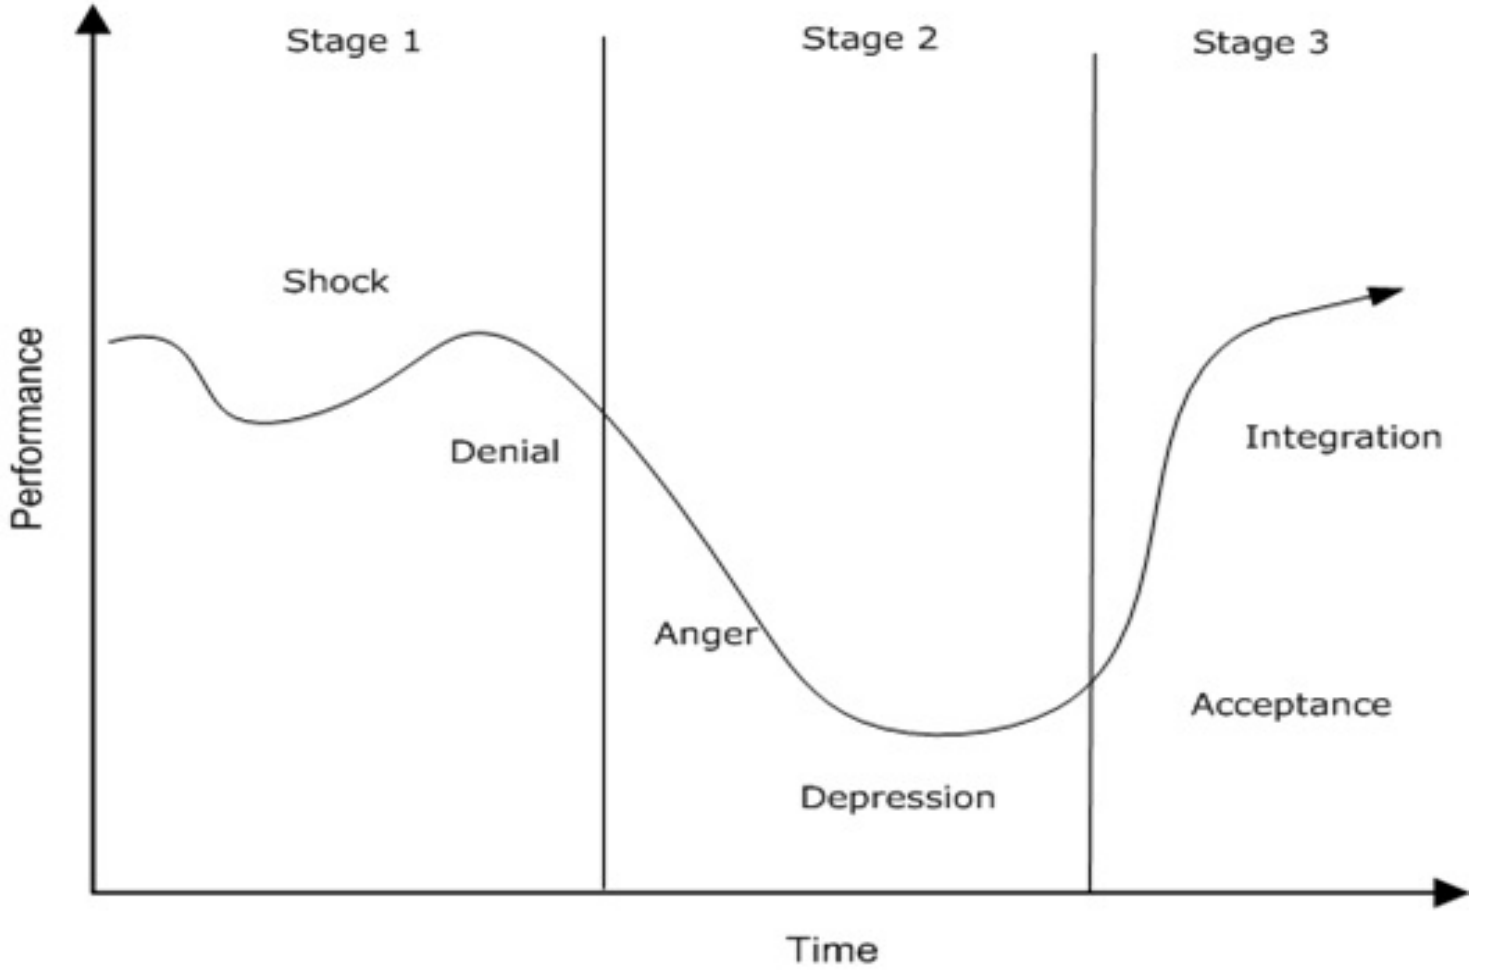

UNIVERSITY OF WOLVERHAMPTON

People

The Change Curve

- Stage 1
  - Shock and Denial
- Stage 2
  - Anger and Depression
- Stage 3
  - Acceptance and Integration

UNIVERSITY OF WOLVERHAMPTON

Using the Change Curve

- A useful tool when managing change
- Knowing where someone is on the curve will help to decide:
  - When to communicate
  - What to communicate
  - What kind of support is needed
  - When to implement changes.

UNIVERSITY OF WOLVERHAMPTON

Look Forward

- L7.4 The deployment and close out
